KEEPING YOU INFORMED

Good afternoon.

We have had a few queries about the time table of the conference itself. Briefly, we will begin registration at 9:00 a.m. and begin the first set of panels at 11:00 after the land acknowledgement. Refreshments will be available.

Though this picture above was taken in 1899, this spot, just outside the Museum, is still a popular location for pictures of Ottawa in every season. If you can make it there early enough the sunrises are also beautiful!
